

Yvette Baker Junior Competition

The East Anglian heat for the Yvette Baker junior competition for 2019 takes place on **Sun 31st March** at **Hockley Woods**, organised by SOS. See website for details www.stragglers.info

This year the competition divides into two separate categories for larger and smaller clubs. The YB Trophy is for larger clubs and requires 9 juniors to make a team. The YB Shield, held at the same event, is for smaller clubs and requires only 5 juniors to make a team.

In East Anglia, clubs divide as follows:

- **YB Trophy:** WAOC, NOR – 9 juniors to make a team
- **YB Shield:** HAVOC, SMOC, SOS, SUFFOC – 5 juniors to make a team.

In the Shield Competition all competitors must be BOF members of the club so some small clubs may wish to enter the Trophy Competition if some of their competitors are students at schools linked to the club. Clubs cannot enter both competitions

Each club should declare which competition they are entering in the heat by contacting Julie Laver julieannlaver@btinternet.com two weeks before the event.

It would be great to have as much East Anglian participation in the Yvette Baker competitions this year as the Final is to be held at Sandringham in Norfolk on Sunday 7th July.

Preliminary details for the Final on the WAOC website:
